

« Habilitation à diriger des recherches » registration application form

Comprendre le monde,
construire l'avenir

The complete file must be emailed both to the SCRED ("mailto:hdr.scred@u-psud.fr"), and to the HDR correspondent (by email or regular mail according to his/her will).

The HDR correspondent will return the application with her/his argued opinion to the Research Committee.

Last Name:

First name:

Birth date:

Relevant CNU section(s):

Relevant doctoral school (if known):

Phone number: Email:

Employer:

Status:

Professional address:

Positions held (including PhD)

For each position, specify dates and places

.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....

Master or equivalent (DEA, VAE ...)

Diploma name:

.....

Registration institution:

.....

Graduation date:

Dissertation title:

.....

.....

.....

PhD

Starting date of the PhD:

Defense date:

Registration(s) institution(s):

.....

.....

PhD title:

.....

.....

.....

PhD supervisor(s):

.....

.....

Laboratory(ies) where the PhD took place:

.....

.....

.....

.....

.....

Scientific output associated to the PhD:

.....

.....

.....

.....

.....
.....
.....
.....
.....
.....

Prior research activities (except PhD)

For each position held, specify the dates, places and research topics (maximum 5 lines summary per item):

.....
.....
.....
.....
.....
.....
.....
.....
.....
.....

For each position held, specify the associated scientific output:

.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....

For each position held, specify the obtained research contracts (if any):

.....
.....
.....
.....
.....

.....

Obtained research contracts (if any) ::

.....

National or international continued collaborations (resulting in a joint scientific output) and/or extra-academic research results exploitation:

.....

Scientific output :

Summary table: the total includes possible outcomes before the PhD.

	Total	4 last years
Number of articles published in refereed journals (specify international and national)		
Number of articles published in refereed conference proceedings		
Number of books or book chapters (specify)		
Number of invited talks in international conferences		
Number of patents		

Your 4 most significant scientific output (articles, patents...):
